

REMARKS

The applicants have elected to begin prosecution with examination of claims 1-26.

Upon allowance of the generic claims, applicants respectfully request consideration of claims to additional species which are written in dependent form or which otherwise include all the limitations of the allowed generic claims.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorizes the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 50-2247 referencing docket no. P-0004-UTL.

Respectfully submitted,
